

## GIS DATA & PRICING INFORMATION

Waiver agreement: All entities requesting GIS data must sign the waiver agreement.

### GIS Services

1. Map design and analysis hourly rate: \$60.00 per hour (\$30.00 minimum) + print cost per page
2. Shipping: Appropriate postage will be added to all orders requiring shipping
3. Alternate Formats: Maps can be delivered in digital formats. Custom map design and analysis rates apply.

Hard Copy (paper) Map		Price
Letter or legal size	\$1.00	No charge to taxpayers
24" x 24"	\$10.00	\$15 with aerial imagery
36" x 36"	\$20.00	\$25 with aerial imagery
Larger Maps	\$2.50 /square foot	

### GIS Digital Data

1. Data Format: The data will be provided in either shapefile or geodatabase format.
2. Coordinate system: All data will be delivered in Iowa State Plane North NAD83.
3. Payments: Make Checks payable to Boone County Treasurer.
4. Shipping: Media and shipping costs are included in the pricing below.

**NOTE:** Many shapefiles are available for download at no charge from the Boone County folder on the Iowa GIS Data Repository website <https://www.iowagisdata.org/>. These layers include but are not limited to: parcel data, roads, railroads, campgrounds, cemeteries, flood zones, school districts, drainage districts, trails, right-of-way, and city limits.

Real Estate Information	Cost
Parcel Polygon and Point	\$60/hr (\$30 minimum) + \$0.01 per parcel
All other data	\$60/hr (\$30 minimum)

2005 Black&White Countywide Aerials (TIFF format)	\$250
<b>Single tile ¼ section</b>	\$30

## Cost Exempt List

The following types of organizations are exempt from GIS data costs. Exempt organizations are required to sign the waiver agreement and may be subject to standard processing and shipping fees.

- Boone County City Governments
- Boone County Schools
- State of Iowa Agencies
- Federal Government Agencies

- Tax supported Universities and Community Colleges

Contractors may be granted access to data at no cost if they are conducting work on behalf of an exempt organization. The exempt organization must make a formal request for the data and have a signed waiver on file with the Boone County GIS Department.
